

Dear Patriot,

It seems like big government is creeping into our lives at every level. Washington's enthusiasm for expanding state power has made it's way to local governments -- and it's getting harder and harder to fight.

Luckily, in New Hampshire, you have a choice to fight growing government and take a stand for liberty by voting for a constitutionalist: Bob Goodman.

Bob is a Grove City college graduate, who has worked in business, and understands that real prosperity isn't handed down by the state, it's earned via economic freedom.

Bob has a very competitive 4-way primary for the NH District 23 Senate seat, and you can bet liberals are doing everything they can to keep him out so [any donations and support are especially appreciated right now.](#)

Goodman has fought alongside me for liberty many times, in both my fathers race for President in 2012, and mine in 2016, and I know I can count on Goodman to continue his fight for liberty in New Hampshire.

But time is running out, and Bob needs your help. [So please, go to his website today.](#) Help him with [a contribution.](#) Call your friends. Post on your social media.

But most importantly, go vote Tuesday, September 13 for Bob Goodman.

Thanks for supporting the cause of Liberty.

In liberty,
Rand Paul
