Trip Details

What are the dates of the Rome Trip?

December 27, 2026, to January 3, 2027

What if my student plays multiple instruments, i.e. marching and concert?

We are only taking marching instruments.

Can I link my own travel rewards programs/TSA to my flight?

Perhaps. It depends on how the tickets are issued.

Can I use my TSA Pre-check at the airport.

It is unlikely. At the airports, we move by flights and chaperone groups. Unless everyone in your chaperone group has TSA Pre-check, you will stay as a group.

Does the cost change if there are three to a room instead of two?

No. Currently, we are told it is two per room. But, if for some reason a room needs to have a triple, the cost remains the same. And if this happens, we can discuss it with the travel company.

Google Sign-up Form/ Passports

What do I do if I don't have a passport?

1) Fill out the Google Sign-up Form and register in MembershipToolkit.
2) Save the email with URL to your Google Sign-up Form.
3) Apply for a passport. Don't wait, it could take months.
4) Access form via URL and input passport information.

Can I fill out the Google Sign-up Form without a passport?

Yes, just answers the question that you are in the process of getting the passport and it will skip the entry of passport information.

I have a passport but it is getting renewed, what should I do?

You can either enter your current information and once you get your new passport, use the URL to access your form and update the information.
OR, you can answer that you are updating your passport and the passport information questions will be skipped. You will update your information via the URL once it is received.

Why do you need a picture of my passport?

This is precautionary if the passport is lost we can show it at the embassy to get a new one (or get home, or whatever we are not entirely sure as it never has happened).

Payment

Do I have to complete the Rome Trip Payment in Membership Toolkit if I'm paying by check?

Yes. We use Membership Toolkit to keep track of all payments, whether completed via credit/debit or check.

After the deposit, how do I make future payments or see what I owe?

To make additional online payments or check your balance, you will need to log into your Membership Toolkit account. Once logged in, you will be given a message that you

have an order with an outstanding balance and there will be a link. For additional information, please visit our Making Payments on Outstanding Balances document.

Who do I make my payment check out to? And where do I turn it in?

Make checks payable to WLNMB or Walled Lake Northern Music Boosters. Submit them in the locked band box (near Mrs. Hulliberger's office, labeled 'band box') in the WLN Band Room F110.

Can I pay by credit card?

Yes. There is a convenience yes and you pay through MembershipToolKit.
