[/ABOUT](#)

WHY I DON'T USE THIS DIRECT LINK ON REDDIT

REDDIT BLOCKS GOOGLE SITES (AND SOME OTHER FREE-SITE DOMAINS LIKE NOTION, CARRD, ETC.) BECAUSE THEY'VE OFTEN BEEN ABUSED FOR SPAM, PHISHING, AND FAKE GIVEAWAYS.

TO KEEP REDDIT USERS SAFE, THEIR SYSTEM AUTOMATICALLY FILTERS OUT THESE LINKS IN POSTS, COMMENTS, AND EVEN DMS.

THAT'S WHY I SHARE A GOOGLE DOCS LINK FIRST — IT ACTS AS A SAFE GATEWAY SO YOU CAN STILL ACCESS MY REAL PORTFOLIO WITHOUT REDDIT BLOCKING IT.
