M&E Session 2 Analysis	3.6851 with the verbal interpretation of Outstanding
M&E Session 3 Analysis	3.3806 with the verbal interpretation of Outstanding
M&E Overall Analysis	3.8864 with the verbal interpretation of Outstanding
General Comments and Issues Encountered	The facilitators must research more and be ready with the topic.
Recommendation	Resource person must ready an activity as application of the principles learned. And the place for LAC session should be well-ventillated.
Highlight of the Activity	The significance of observing and practicing work ethics in our profession. Also, the teachers learned about different philosophies in education. And SAMR is an acronym for Substitution, Augmentation, Modification, Redefinition
Learning Insights	Teachers must always practice personal and professional ethics all throughout the teaching process. Also, for a variety of strategies and improvement in teaching. And it will be a great help for me especially in teaching
