

Xpressions App

An exciting new service is now available to help make home-school communication easier, more effective and more accessible. Xpressions is completely free of charge to you and can be installed on your mobile phone or tablet. It supports both Apple iOS and Android devices.

Alternatively, you can visit www.xpressions.groupcall.com from any internet browser on your computer, laptop or mobile device.

The app makes it very easy for you to see new communication from the school and keeps a timeline of when things are sent out – keep all the necessary information at your fingertips!
