Registration will open online on a first-come basis.

Inclement weather closure policy

We will close programs or run on an alternate schedule (delayed start or early dismissal) if weather conditions do not allow for us to safely operate programs. We do NOT always close when schools are closed! Please check your email for notifications of unplanned program closures.

Refunds or credits for future programs are not offered on days when we are unable to operate due to weather conditions. After the third unplanned closure for any group we will offer a make up day or a credit to be used for upcoming vacation day programs for any further closures.
