To: The Reverend Gerry and Suzanne at St. Philip's Church, Charleston, SC. USA

Brothers and Sisters in Christ, greetings from the Church of St. John the Baptist in Plaine Mapou in Jesus' name who is all Powerful! The Church writes to you in order to renew its commitment to pray for the world as it is currently facing catastrophic health challenges with devastating outcomes. So we use this opportunity to wish you all "Happy Feast of St. John the Baptist"!

And at this present time we remember you, because you have always attended the Feast with us. But Covid-19 prevents us from gathering together this year to celebrate this magnificent

feast. We cannot see each other physically, however, we stay connected praying for one another.

Once again, the members of the Church of St. John the Baptist send greetings to you both and the staff of St. Philip's Church in Charleston. May God our Father bless you always with good health, so we may remain connected to each other.
