

Clergy Announcement – Nehemiah Action Invitation

Good [morning/afternoon/evening], church family!

I want to take a moment to invite you to a powerful and important event—**The Nehemiah Action**, taking place on **Monday, May 5th at 7:00 PM** at **Congregation Agudath Achim**, located at **9 Lee Boulevard** here in Savannah.

This event is organized by JUST—**Justice Unites Savannah Together**—a faith-based coalition working to bring about systemic change in our community. At the Nehemiah Action, we'll gather with hundreds of others to **advocate for expanded access to mental health care** in Chatham County. We are especially **focused on supporting individuals who are in crisis, as well as those seeking mental health support to prevent a crisis**—but who too often encounter barriers to care due to extended wait times and a shortage in the mental health workforce. To learn more about the specifics of the campaign, please visit our website at justsav.org.

We need your voice—and your presence. Your presence helps show our elected officials that our community cares deeply about justice and access to care for all. We are encouraging each person to invite **6 to 9 others**, with a goal of bringing **at least 3 guests** with you. Bring your family, friends, co-workers—anyone who believes in fairness and opportunity for all.

Let's come together in faith, unity, and purpose. Mark your calendars—**May 5th at 7 PM**—and join us at the Nehemiah Action. You can find more information at **www.justsav.org**.

Let's raise our voices together for justice. I hope to see you there!
