Fee and Spend Plan

Fee	Spend Plan Specific delineation of what this fee covers
\$80.00	Maximum possible charge for performance clothing. (However, we provide used items and donated items at reduced or no cost according to student need.)
\$16 (required)	Music, folder and field trip
\$15 (optional)	Ticket to sing the National Anthem at Utah Grizzlies hockey game or Univ. of Utah basketball game.

If the fee you are requesting for the 2025-2026 school year is higher than the approved fee for the 2024-2025 school year, please explain the reason for the increase in the fee:

- We have been asked to incorporate our costs for music and supplies into our fee request. We are apparently the only elective class not currently doing this. It would result in a \$16 increase for each student.**
- One of our fun traditional events has been singing the National Anthem at a pro or college sports game. The sponsors and venues are experiencing rising costs, and sometimes may not be able to cover the cost of performer tickets. Usually, we can negotiate a deal whereby we can have our ticket fees waived if we sell a certain amount of tickets to family and friends. However, we wanted to put this as an optional cost on our fee request so we could conceivably still have the opportunity to perform at these events if we can't work out a compromise with the sponsoring organization.
