

CBMS Private lesson program 2024-2025

Payment policy:

1. Weekly 30 min lesson cost \$30 each.
2. Each teacher will set his or her own policy regarding payments, please check in with them. Most like to be paid at the start of each lesson.
3. Forgetting to come to your lesson is counted as an unexcused absence, and you'll still need to pay \$30 for that lesson. I will send a reminder email, and do my best to track kids down if they forget.

Attendance Policy:

1. If your name is on the school absence list, you are excused from the lesson, and do not need to pay for it.
2. If you miss a lesson because you are on a school sponsored field trip, you need to let Mrs. Mishkin or your teacher know, otherwise you'll need to pay for your lesson.
3. If your teacher needs to miss your lesson, he/she will let Mrs. Mishkin know, who will let you know.
4. If your classroom teacher requires you to be in class that day (test, presentation...) You will need to let Mrs. Mishkin know ASAP so we can find a new time. Try checking the day before with your teacher.
5. If you have more than 2 unexcused absences we will evaluate if these lessons are a good fit for you.

Academic requirements:

1. Students are responsible for making up class work, collecting homework etc. for class time missed for their lesson.
2. The classroom teacher (Core, AA) may request that a student not miss their class, based on classroom performance.
