This is your roadmap for relational organizing via LinkedIn. Our immediate goal is to engage our community and enhance our membership in the Battleground States! Read on to see how...

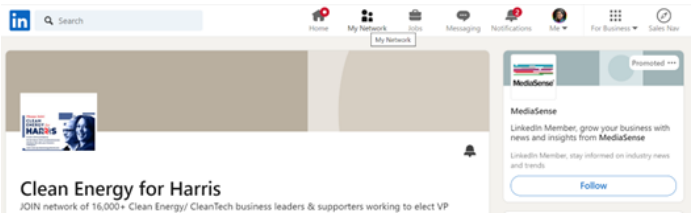

ce4h.com/action for https://www.linkedin.com/company/clean-energy-for-harris

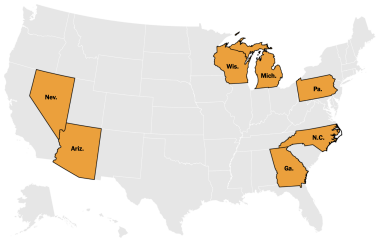

STEP 1: Share > Repost this Linkedin Post

STEP 2: Share Through Direct Messaging

with special attention to *Battleground States + **Key Senate Races *time permitting*

* Arizona
* Georgia
* Michigan
* Nevada
* North Carolina
* Pennsylvania
* Wisconsin
** Ohio
** Montana

STEP 3: SHARING THE MESSAGE THROUGH TARGETED FILTERED PERSONAL MESSAGES use filters to send messages to your with your LinkedIn network connections by location:

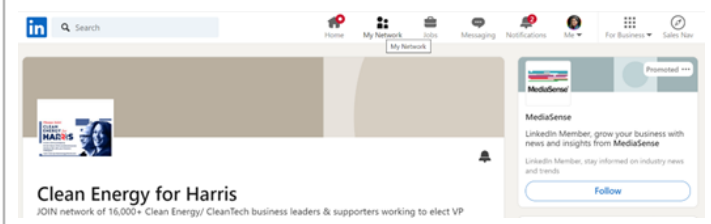

3.1 On your LinkedIn screen,
click on "**My Network**" on the top navigation.

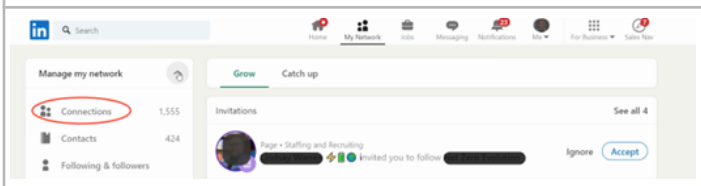

3.2 From Manage My Network menu,
click on "**Connections**" on the left

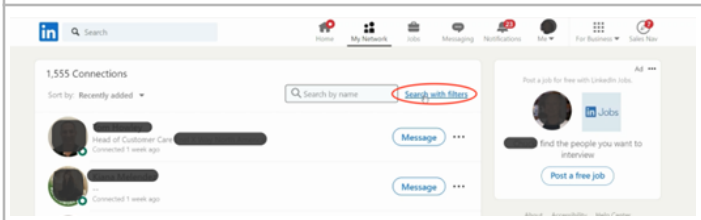

3.3 On your Connections page, click on **"Search with filters"** link next to the Search box.

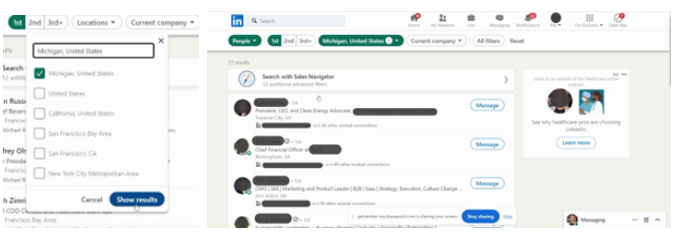

3.4 Filter options at the top, select (ex "Locations")
Type metric you want to filter (e.g., "Michigan").
- Select desired option & confirm by clicking "show results"
- You will get the list of connections filtered by location.

3.5 Select Contact, Copy or Forward Post (Below) Personalize Message & Send!

Please JOIN Clean Energy 4 Harris CE4H.com Similar to CleanTech 4 Obama & Clean Energy 4 Biden, we are working as a community to win this election by fundraising, relationally organizing, canvassing, phone banking, social media, lte/op-eds, a climate national house party day and more, plus a policy memo after we win. We are working directly with the Harris campaign climate political directors. Let's hang out together, have some fun and win this election! When We Show Up, WE WIN! So let's show up strong!

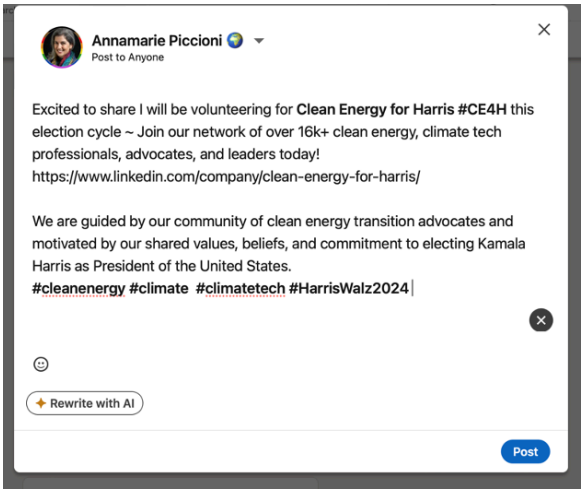

THE BASICS > OTHER WAYS TO SPREAD THE WORD
