

General Sew Day – Supply List

Instructor

While there is no formal instruction at sew days, the set-up leader will be around to help brainstorm solutions to problems, and we all learn so much from each other!

Doors get unlocked at 9am, locked at 4pm. If you can help with set-up or tear down that is HUGELY appreciated!!!

General Information

Sew Days are designed to be low-key days where we can work on UFOs, and get to know each other. If you haven't paid yet, please bring your payment with you. Last-minute registrations are accepted for sew days, as are drop-ins provided there is enough room at the venue.
