

# SSO Using Clever

We have an alternative SSO method for some applications. You will see a new tile on the Launchpad for Clever. You can use this login method anytime. \*Skip step one if using an iPad.

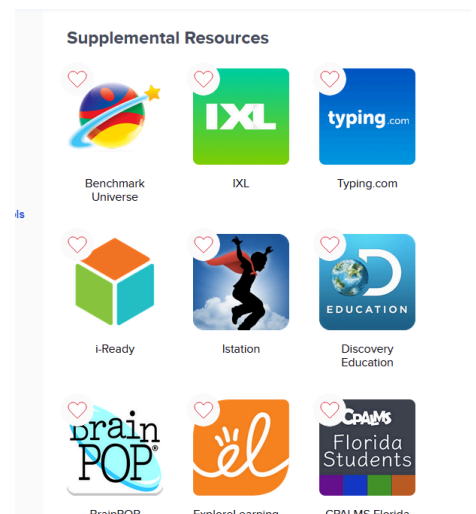

1. \*Navigate to the Launchpad: <https://launchpad.sbac.edu>
2. Click the Clever tile.

3. Log in with Google or LDAP

4. Many of our applications are available in the Clever Portal.

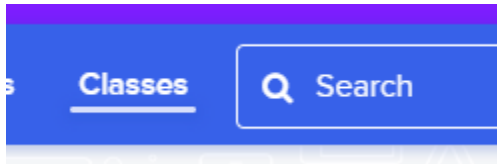

**Clever also supports QR (Badge) Logins for devices with an onboard camera.**

MARIA FERNANDA

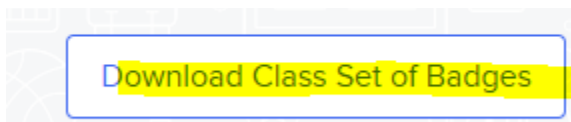

To generate student badges:

Teachers- log into Clever as directed above.  
Then click the Classes link (top right)

Click on a class.

Click the Download Class Set of Badges button (top right)

OR

Select a student from the roster and click the Download Badge tile.
