“ Interest Check ”

Overview

An upcoming zine dedicated to Sleep Token, the masked, anonymous band that's bringing a sensation to the metal scene while they Worship. Our mission is to celebrate the art, writing and devotion both within and inspired by the music this group creates.

There's a variety of reasons that the lore and idea behind the masks ignite a flame in so many lost and wandering souls in this world—along with our mods and contributors, we have arrived to take those souls back to Arcadia with this zine.

This zine will be safe for work and will respect the anonymity of the members of the band. We will also require contributors to create brand new pieces for this journey back to Arcadia, and we will do so without the use of AI. For additional questions you may have, please check out our FAQ or reach out via our socials!

FAQ

1. How old do you have to be to apply?

All applicants must be 18 years of age or older at the time of application.

2. Will this zine be a digital zine or physical zine?

The decision regarding whether this zine project will be a digital zine or physical zine will be made after the interest check closes.

3. Will this zine be a for charity or pay for production?

The decision regarding whether this zine project will be for charity or pay for production will be made after the interest check closes.

4. What does pay for production mean?

Pay for production means items are sold close to production cost, so little to no profit is made. If there is any remaining profit after contributor compensation, it may be donated to charity.

5. How many contributors are you looking to accept?

Our expected contributor numbers will be as follows: **15-17 Page Artists, 7-10 Writers, 3-4 Merch Artists and 2-3 Spot Artists.** This is subject to change based on the results of our Interest Check.

6. Do I need to create a new piece for this zine?

Yes. All contributors are required to create a completely new piece for this zine.

7. Am I allowed to share WIPs of my piece or stream my work?

WIPs and live streaming of your zine piece are strictly prohibited prior to the zine's release. After the zine is released, the mod team will make an announcement for contributors to let them know that they're able to share their works publicly.

8. What happens to my piece after the zine is over?

Whatever you want! All of our contributors will retain the rights to their work wholly and completely—our only requirement is that contributors wait until they're given the all-clear by the mod team to post them outside of the zine.

9. Do I need any zine experiences to apply?

Not at all! We welcome applicants of all experience levels!

10. Can I apply for more than one role?

Yes, you may apply for multiple roles. However, if you are accepted, you will only be accepted for one role.

11. Are traditional art/artists allowed?

Yes, we absolutely do! Please make sure to provide a clean and high-quality scan of your work, scanning in 600dpi or more is highly advised.

12. Are comic artists allowed?

They are! Comic artists will be expected to follow similar guidelines as standard digital artists, with a few tweaks here and there to accommodate the specifics of the style, just like with our traditional artists.

13. How will contributors be compensated?

Each contributor is guaranteed a free digital PDF copy of the zine at minimum—anything beyond that is subject to the results of the interest check and sales.

14. Do you allow AI works?

No, we will not allow it, and anyone found to be using AI as a contributor will be removed from the zine.

15. Do you allow content regarding the real identities of the members?

No, we will not. We respect the desire for and dedication to anonymity by the Sleep Token artists, and we expect our contributors to do the same.

16. What is the selection process?

We will be doing blind selections, so only looking at your work and not who made it, for this reason applications will have to have anonymous files without signatures or names.

17. What is the zine's rating?

This will be a SFW zine, though we may have works that include mature themes - a good reference point is ratings M or T on ao3!

18. Do I need a Discord account?

Yes, as this will be our main method of communication, but we can attempt to accommodate others.

19. Will there be ships?

No, we will not have ships in this zine.
