Have you ever used sites like PLR.me,
Download PLR Products, Master PLR,
PLR Planner etc?

Well these are some of the most popular
PLR sites out there.

PLR sites are great for marketers especially
newbies as you can slap your name and use
the products as your own.

That's why marketers love subscribing to PLR
sites and use the products.

Problem is traditional PLR sites cost huge money:

PLR.me costs \$1188 / year

Download PLR Products costs \$840 / year

PLR Planner costs \$997 / year

IDLPR costs \$444 year
