Description

Carry a library in your pocket anywhere you go. Get access to more than 4,000,000 books and audiobooks including over 1,000,000 Kindle exclusive titles for books you have purchased from Amazon to use on this app. With the Kindle app, get your book once and read it on any device and share across your family's devices.

Choose from a wide selection of books, newspapers, and magazines. Shop in your browser for books to read in the Kindle app.

Build your own library

- Read a sample of any book before adding it to your library
- Share your books across your household with Family Library
- Get personalized recommendations with Welcome Experience
- Get popular magazines and newspapers, and even textbooks with high-resolution color images
- Go into your local library to check out an eBook, and have it delivered wirelessly to your Kindle app

Best reading tools

- Customize your reading experience with your preferred font style, font size, background color, line spacing and margin size
- Explore Page Flip enabled books to reference charts, graphs and maps while we save your place

Enjoy nighttime reading with adjustable screen brightness

- Easily edit or change highlight colors, and select long passages that span multiple pages
- Tap and hold text for instant definition and translations
- Search inside the book to find key ideas, characters, and locations using smart look-up, as well as background info and biographies from Wikipedia within the app with X-Ray for Books (English, German, Japanese, Chinese titles only)
- Accessibility features make it easier for blind and visually impaired readers to navigate Kindle libraries, read & interact with books, and more

Kindle exclusives

- Enjoy unlimited access to over 1,000,000 titles and thousands of audiobooks with Kindle Unlimited eBook Subscription
- Automatically synchronize bookmarks, annotations, and your furthest page read across devices and app with Whispersync
- Switch seamlessly between reading your Kindle book and listening to its audio companion with Whispersync for Voice

Kindle Education

- Maintain the rich formatting of your textbook, just like the print edition, with Kindle Print Replica
- Explore important terms in your textbook using X-Ray, including links to Wikipedia and YouTube content
- Make your own flashcards or auto-generate them to brush up on concepts, terms, and definitions after each chapter
