

General

By commissioning me, **you agree to these terms**. I reserve the right to refuse any commission for any reason.

Payment

Full payment is required upfront before I begin working. Prices are as listed and may change in the future. I currently accept payment **only through PayPal**.

Process and Revisions

You will receive work-in-progress previews during the creation of your commission. During the sketch stage, you are allowed **two rounds of revisions**. This includes changes to pose, composition, expression, clothing, or other major elements. Once the **sketch is approved** and I move on to lineart or coloring, **only small adjustments are included**. Major changes after this point **may require an additional fee** depending on **the amount of extra work needed**.

Delivery Time

The estimated delivery time is between **5 days and 2 weeks**, depending on the complexity of the piece and my current queue. I will always inform you if there are any delays.

Copyright and Usage

I retain the copyright of the artwork. You may use the commission for **personal use only**, such as profile pictures, wallpapers, or printing for yourself. **Commercial use, including selling the image, creating merchandise, or using it for NFTs, is not allowed** unless we **agree on an extra fee**. I am allowed to post the finished piece on my social media and portfolio unless you specifically request otherwise.

What I Will and Will Not Draw

I am happy to draw original characters, anime characters, fanart, and scenes. **I do not accept NSFW** or explicit content, hate speech, offensive content, or anything that makes me uncomfortable.

Cancellations and Refunds

If you cancel **before I start working**, you will receive a **full refund**. If I have already begun the sketch or further stages, refunds will be **partial or unavailable** depending on the **progress made**. If I need to cancel the commission for any reason, you will receive a full refund.

Communication

Please reply within a reasonable time when I send work-in-progress previews. If I do not hear from you for more than **7 to 10 days**, I may put the commission on **hold or cancel it**.
