Oh hey, I see you found my KMNs. Pretty nice name right? Well it means “Kill Me Now” KMNs are my way to vent. I tried every way possible to vent. But this seems like the only way.

No one ever listens when I vent.

So please read this through

Please.

KMN #1

~~***Iwannadiesoon.***~~

My dad says things that scare me.
I'm so scared of him.
He makes threats to abuse me if I do something
Im keeping this pain a secret
Because if I told my dad
He would yell at me like I'm watching stuff that makes me feel this way.
I really hope someone comes and saves me.
This all happened after she left.
This all happened after she moved away.
I miss her.
I don't wanna still live in this life anymore.
I wanna die.
Someone come save me.
Please.
PLEASE.
PLEASE LET ME DIE.
I DON'T WANNA LIVE ANYMORE.
WHAT THE FUCK AM I EVEN SAYING.
WHY DON'T I TALK TO SOMEONE, OH WAIT. I HAVE NO ONE.
OH MY FUCKING GOSH, SOMEONE SAVE ME.
TAKE ME OUT.
PLEASE.

I'M TIRED OF CRYING IN MY ROOM EVERY NIGHT.
THE ONLY REASON I'M STILL ALIVE IS BECAUSE A FUCKING TABLET KEEPS ME SANE.
LIKE WHAT THE FUCK.
A FUCKING DEVICE IS KEEPING ME SANE.
WHAT THE ACTUAL FUCK.
I FUCKING HATE THIS.
WHAT THE FUCK ARE WE EVEN DOING IN THIS WORLD, HUH?

(###) (###) (###) (###)

Sorry for getting emotional at the end there
I needed to vent real bad.
Yet no one will listen.
I know no one will.

Here's one last message…

PLEASE LET ME DIE.
I DON'T WANNA LIVE ANYMORE.
WHAT THE FUCK AM I EVEN SAYING.
WHY DON'T I TALK TO SOMEONE, OH WAIT. I HAVE NO ONE.
OH MY FUCKING GOSH, SOMEONE SAVE ME.
TAKE ME OUT.
PLEASE.
