

## Project Self-Evaluation Form

Name: \_\_\_\_\_

Class: \_\_\_\_\_

Comment on the following statements that will allow you to think about and organize what you have learned while doing, and after completion, of your project.

(Please check the appropriate box for each statement.)

Items	Str on gly Dis agr ee	Dis agr ee	Un cer tai n	A gr ee	St ro ng ly Agr ee
<b>Subject Matter</b>					
I am more interested in the subjects related to this project.					
<b>Independent Work</b>					
I utilized my time wisely, and was able to find information on my own – I was able to create my project with little help					
<b>Conducting an Investigation</b>					
I can evaluate the relevance and importance of this information.					
<b>Presentation</b>					
I was able to present my information in a logical way.					
I was able to communicate my ideas effectively (written & spoken)					
I feel more confident in oral presentations in class.					
<b>Others</b>					
I finished all of the requested tasks on time.					
I was prepared for my presentation of my project.					
I want to investigate more about daily life, health, etc.					
I am satisfied with my involvement in class for research.					
I am/was able to use the rubric to check my work.					
I asked for extra help, or asked questions, when needed.					
I did my best to be creative with this project.					
I feel confident that I could teach someone else about my specific mental health disorder.					
My project/analysis piece advocated for someone with a mental illness and helped to reduce stigma.					
In general, I feel confident that I can help to decrease stigma and increase awareness about mental illness.					
<b>Overall, I am satisfied with my project/work.</b>					

What have you learned from this project?

---

---

---

---

Identify 2 or 3 things that you think you did very well on in this project.

---

---

---

---

What are the difficulties that were encountered in doing this project? How were/are they overcome?

---

---

---

---

Are there any items that you still have questions about, or feel uncertain about in regards to the project or your specific topic?

---

---

---

---

What could be improved if a similar project were to be organized in the future? (Identify an improvement you could make in your own work, as well as an improvement that could be made to the project itself.)

---

---

---

---

OTHER COMMENTS:

---

---

I WOULD GIVE MYSELF A SCORE OF \_\_\_\_\_ ON THIS PROJECT. (\*Consider all parts of rubric.)
