Item #3 - Start date/Training, Competition Days & Fee Structure Review

- Considerations: community engagement
- Volunteer requirement per coaching days
- Youth Leaders recruitment/ commitment
- Coaches incentive (\$)/ session/ age group
- Fee structure discussion

Discussion Points:

- Proposed to change comp days back to Fridays and have 13s+ compete at same time.
- No community poll to be held – too onerous, indecisive
- Change of day & time: Impact to Leaders: Minimal impact as only 2-3 athletes were consistently present for juniors.
- GAC had a larger parent turn out on Friday nights so we are hoping to leverage off this for next season.
- Higher level athletes will be able to still assist as they compete in Brisbane on Saturdays & therefore will only come to officiate on Fridays.
- NOT changing days - Splitting the age groups across 2 days meant same people would've have needed to turn up & help for two days
- Child safety officer was easier to be onsite for one day instead of across 2.
- Fees to remain the same for next season.
- AGM was running over so coaching days & volunteer requirements on coaching days were not discussed – to be tabled at future meeting.

Actions:

- Coaching sessions rolling 3 week cycle. Eg wk1 track, wk2 throws, wk 3 jumps. Coach incentive - \$/ fee @ rego/ adhoc.
- Leaders incentive \$/ membership discount
- Table parent clinic – teach/ instruct how to run events) – measuring, marshalling, how to help their age group
