Abstract

This document describes the requirements for manuscripts submitted to INHERIT2020. The document can be used as a template in two ways: Either you can write your manuscript directly in this document, or you can paste an already prepared manuscript into this document. All styles needed for formatting your manuscript are embedded in this document, and allow easy formatting of the text (details are given below). As for the abstract, an informative abstract of up to 300 words should appear on the first page. The content of abstract should include the following: Issue(s) to be addressed by the research / Problem statement, Methodology (Research Design, sampling, sample, response rate, analysis) where applicable, Main finding; and the implication to theory and practice/recommendation.

Keywords: Alpha, Bravo, Charlie, Delta, Echo. (10 point, Italic, Times New Roman)

INSTRUCTION: The following format must be followed for all abstracts:

- **Title** - 16 point, Times New Roman, center, all in CAPITALS, leave one blank line (12 point);
- **Authors** - 12 point, Times New Roman, Surname, First name, affiliations numbered in superscript, leave one blank line (11 point);
- **Affiliations** - 10 point, Times New Roman, italics, title, affiliation, city, country, email address, leave one blank line (11 point);
- **Abstract text** - 11 point, Times New Roman, justify, single spacing, maximum of 300 words;
- **Keywords**- In lower case and alphabetical sequence separated by commas, finishing with full-stop, maximum of five keywords;
- Do not insert any tables or figures;
- Do not include titles or degrees;
- Check spelling and grammar should contain no errors. All submitted material will be published in the Abstract Book;
- Standard scientific abbreviations may be used - non-standard abbreviations should be included in parenthesis after the first use of the full word;
- Do not indent paragraphs;
- Name the file with the first 8 characters from the surname of the first author (for example: smith.doc);
- Present sufficient data to support conclusions - it is unsatisfactory to use statements such as "data will be presented" or "results will be discussed";
- Please ensure your abstract is saved as .doc or .docx file. No other formats can be accepted;
- The decision to accept an abstract is at the discretion of the Conference Publication Committee.
