

Central Rivers AEA has committed to serving our community during the holiday season by supporting the Boys and Girls Club "Fun with Frosty" event. This event will take place on Tuesday, December 17 from 4:30-6:30 at the Boys and Girls Club (515 Lime Street, Waterloo).

Volunteers will help serve dinner and assist with crafts and games. We need 12-15 volunteers who will commit to helping make this event a wonderful night for the kids. Sign up by Monday, December 2. Contact Lori Thomas if you have any questions.
