INFORMATION PAGE FOR FIRE OR CASUALTY CONCERNS

For Tenants in Evanston

Who should use these letters?

Tenants in Evanston whose rental unit has been damaged by fire or other casualty (such as flood or structural collapse) and are protected by the Evanston Residential Landlord and Tenant Ordinance (RLTO).

If you're not sure you are protected by the Evanston RLTO, visit rentervention.com.

What rights do I have?

Under Evanston RLTO § 5-3-7-6, you have important choices if your unit is damaged by fire or casualty:

- If the unit is substantially impaired (not reasonably habitable), you may terminate the lease immediately by moving out and giving notice within 14 days of the damage.
- If the unit is only partially unusable, you may stay in the undamaged portion and pay reduced rent that reflects the loss of fair rental value.

What do I do with this letter?

- Fill in the blanks.
- Check the option that applies to you (termination, partial occupancy with rent reduction, or termination after delay in repairs).
- Send the letter to your landlord in writing (keep a copy for yourself).
- Delivery options: certified mail, hand delivery with proof, or email/text if your landlord has used that method before. A trackable method is best.

What happens after I send it?

- If you terminate, the landlord must return all prepaid rent and your security deposit in accordance with RLTO § 5-3-5-1.
- If you stay, you only owe reduced rent for the usable portion of the unit until repairs are complete.
- If the landlord fails to honor your rights, you may need to speak with a housing attorney or legal aid organization.

Important Note:

- You must act **within the timelines in the law** (generally 14 days after the damage).
- **Lease termination still has risks.** If you move out without paying rent owed, the landlord may threaten small claims or collections. For more info, visit <https://help.rentervention.com/article/505-what-happens-after-a-tenant-terminates-a-lease-based-off-the-evanston-rlto>.
- Retaliation for asserting your rights is prohibited under RLTO § 5-3-9-1.

Subject: Fire or Casualty Damage – Notice of Tenant Election

Date:
Sent via:

Dear _____,

I am a tenant at _____ (*Address and Unit #*). My rental unit was damaged by fire or other casualty on or around _____.

Under **Evanston Residential Landlord and Tenant Ordinance § 5-3-7-6**, I may choose to terminate the lease or request repairs with a rent abatement during the restoration period if the unit is materially uninhabitable.

Please be advised that I am electing the following option (check one):

Immediate Termination

I have immediately vacated the premises and am providing this written notice within 14 days of the damage. I hereby terminate the rental agreement as of the date of the fire or casualty. Please return all prepaid rent and any security deposit in accordance with § 5-3-5-1. Rent and other amounts due should be prorated through the date of the damage.

Partial Occupancy with Rent Reduction

I intend to continue occupancy in the undamaged portion of the unit. I will deduct \$_____, which reasonably reflects the reduction in fair rental value due to the unusable space. Please confirm the adjusted rent and any timeline for repairs.

Please confirm your receipt of this notice and provide any required return of funds, if applicable.

Sincerely,
