- **Ink Pads** – Shaded Spruce (147088)
- **Misc.** – Santa Express Designer Series Paper (DSP) (159582); Santa's Train Dies (159589); Foam Adhesive Sheets (152815); Mini Stampin' Dimensionals (144108); Multipurpose Liquid Glue (110755); Bone Folder (102300); Paper Snips Scissors (103579); Paper Trimmer (152392); Stampin' Cut & Emboss Machine (149653)

Measurements:

- Cherry Cobbler CS: 8 1/2" x 7", scored in half at 3 1/2"
- Blushing Bride CS: 8 3/8" x 3 3/8"
- Shaded Spruce CS: 8 1/4" x 3 1/4"
- DSP layer: 8 1/8" x 3 1/8"; one engine and two cars cut with Santa's Train Dies
- Basic White CS: 8 1/4" x 3 1/4" for the inside; scrap for the sentiment
- Basic White Thick CS: 8 1/2" x 3" to die cut one engine, two cars, and 3 puffs of steam

Instructions:

1. Burnish the fold in the card base with a Bone Folder.
2. Glue the Blushing Bride CS layer onto the front of the card base.
3. Glue the Shaded Spruce CS layer onto the Blushing Bride CS layer.
4. Glue the DSP layer onto the Shaded Spruce CS.
5. Glue the DSP engine and cars onto the Basic White Thick CS engine and cars.
6. Stamp the sentiment in Shaded Spruce ink onto the scrap of Basic White CS, then cut apart with Paper Snips.
7. Glue the two sentiment pieces onto the two cars.
8. Adhere the engine, two cars, and steam puffs onto the DSP layer using Foam Adhesive Sheets, filling in with Mini Stampin' Dimensionals.
9. Stamp HoHoHo in Shaded Spruce ink onto the 8 1/4" x 3 1/4" Basic White CS for the inside, then glue to the inside of the base.
