Practice perimeter on IXL.

Homeroom 308

This week, please work on perimeter (adding each side).
Worksheets were sent to the student's email.

Please use your calculator, use the **+** sign.

Practice perimeter on IXL.

4/20/2020 - 4/24/2020

Homeroom 304, 306, 308

I hope you are having a great vacation week.

This week is extra practice for you to work on finding
perimeter.

Worksheets were sent to the student's email.

Please use your calculator, use the **+** sign.

Practice perimeter on IXL.

4/27/2020 - 5/01/2020

Homeroom 304

This week we are working on area, (**Length x width**).
Please use your calculator and use the **x** (multiply sign).
Worksheets were sent to each student's email.
Practice finding area on IXL.

Homeroom 306

This week we are working on area, (**Length x width**).
Please use your calculator and use the **x** (multiply sign).
Worksheets were sent to each student's email.
Practice finding area on IXL.

Homeroom 308

This week we are working on area, (**Length x width**).
Please use your calculator and use the **x** (multiply sign).
Worksheets were sent to each student's email.
Practice finding area on IXL.

5/4/20-5/8/20

Homeroom 304

This week we are working on angles.
You need to identify each angle; right, acute or obtuse.
I sent a chart for you to look at. You should be able to type
your answers on each page.

Have fun, and remember-you can do this!

Homeroom 306

Practice on IXL too. Log on to Clever-then IXL.

Have fun-I miss you,

Ms. Laura 😊

6/15/2020-6/19/2020

Homeroom 304, 306 & 308

This is our last full week of school and our 8th graders graduate on Tuesday at 11:00AM.

You had a very successful school year and I'm so proud of you. You worked very hard when at school and from home.

This week you can practice your math skills on [IXL](#) and [Coolmath](#). Log into Clever and then [IXL](#) or [Coolmath](#).

There's multiplication, division, subtraction, addition, area, perimeter, fractions, decimals, shapes, colors etc.

Happy Summer!
