

Media Kit Introduction

Preserving the Legacy of Army Aviation

The Army Aviation Heritage Foundation (AAHF) is a 501(c)(3) nonprofit organization dedicated to honoring the service and sacrifice of Army aviators while educating the public on the rich history of Army Aviation. Established by veterans and aviation enthusiasts, AAHF restores, preserves, and operates historic Army aircraft, providing immersive experiences that bring history to life. Through airshow demonstrations, educational programs, and public ride opportunities, AAHF connects audiences with the legacy of military aviation in an engaging and impactful way.

Commitment to Safety

AAHF maintains the highest safety standards to ensure a secure and enjoyable experience for all participants, event organizers, and spectators. Our safety measures include:

- **Certified Pilots & Crew:** All flights are conducted by experienced pilots who hold FAA certifications and extensive flight training on vintage military aircraft.
- **Aircraft Maintenance:** Our fleet undergoes rigorous maintenance by certified mechanics, following strict aviation safety guidelines to maintain airworthiness.
- **Operational Safety Checks:** Prior to every flight, comprehensive pre-flight inspections are conducted to ensure all systems are functioning optimally.
- **Emergency Preparedness:** AAHF works closely with event organizers to establish emergency procedures, including coordination with local first responders and air traffic control.

Helicopter Ride Experience

AAHF offers the unique opportunity for attendees to take part in a Living History Flight Experience, flying aboard restored Vietnam-era helicopters. These flights provide a rare chance to experience military aviation from the perspective of past servicemen and women.

- **Aircraft Available:**
 - **UH-1H "Huey" Helicopter:** A legendary aircraft that played a crucial role in troop transport, medical evacuation, and combat support.
 - **AH-1F "Cobra" Helicopter:** The first dedicated attack helicopter, providing an adrenaline-filled aerial adventure.
- **Ride Duration:**
 - Huey rides last approximately **8-10 minutes**, offering scenic views and a firsthand experience of the iconic "whomp-whomp" rotor sound.
 - Cobra rides provide a **thrilling 10-12-minute experience**, designed for those looking for an authentic military-style mission flight.

- **Pricing & Accessibility:**

- Prices may vary by location, generally **\$125 per person for Huey experiences** and **\$800 per person for Cobra**. A discount is offered for booking rides in advance on our website.
- No prior aviation experience is required. Participants must meet safety and age requirements, and assistance is available for individuals with mobility needs.

Through these experiences, AAHF ensures that the stories of Army Aviation remain alive and accessible to all. Our rides provide not only an exhilarating experience but also a meaningful tribute to the bravery and dedication of Army aviators throughout history.
