

SOUL4SALE

[Jeremiah Revelation Joshua · Thursday, March 10, 2016](#)

This spoken word poetry is dedicated to my friends TO WHOM IT MAY CONCERN Bound for glory ... Temple of confusion devices, images. symbol and signs... Sheep standing in line for black anthem rhythmic flute of suspense Shadow of sky chasing the souls of men street outa the church straight to the grave Wind toasting the vision of great men kneeling before walls with bored Souls bragging about their right vanity and standing with the flag of war Truth has been erase all we have is a black bored no white design Aiming the bulls horn while it action demand for fair destination But God grace has always stop them from going to that place But the fame is growing and bored his clear and written SOUL for SALE Love of flashing cameras flashing cars and a death ride Hell is looking attractive It gat a day to day activity Craxi relationship of vibes and no tong No power but slave like a dry bone imprison by the grave Young fellas chasing after the dark lord saying I want a legacy that will never erase even if my soul gat to be the pay Can't ya see SOUL FOR SALE leme drive ya back to the epistle of act 2 we were all accord but the ran away at verse 2 The say No the life I want ain't gat to do with christ too I want the world to no me lay record and maybe act too So the rather reject what God is projecting into them The say I rather be fool than be doom in religion under the stood too Playing the vain like a string ..sound of death wrath of vanity sting I have seen a lot young Boys sale their soul for box Each day the say the pray but yet the look down on God After the show is set and done The say God has done it for me But their eyes are drown with sweat Filled with regret rain of tears and eyes red Soul bought by king of the sight the flesh is like anthem the just wana re sight I saw their eyes running deep inside irony But it kinda funny living the creator for the created created chasing winds For devices name girls and wild dreams Wana own an i phone wana ping yes wana have million likes like m I Jesse that guy that gat double face yes two face and u wana play the dirty game xori ya soul will sting Leme make it clear if it not Jesus then it the opposite Ya no the opposite right So u better make things right Yaweh has bought us with his blood yes he is lord When we were fighting with stones and running from flood He saved us and gave us a paradise up above and say your debt is paid fully Having a board on my head with writing soul for sale sorry I ain't that foolish... Cus a life without God is a total bunshit
