

2026 Arizona Kids Camp Info Packet

Registration is a **4-step process**. Your rate per person is determined by the date of completion of (deposit, online application, and online consent form). Incomplete registration will result in a price increase. You must have (deposit, online application, online consent form) completed to lock in your rate per person.

Deposit + online application + online consent = completed registration

Registration Steps:

Step 1: Complete Online Camp Week Request via Brushfire

→ This request is an **estimation** of the total number of males and females you expect to bring to camp. This number should include all leaders, students, and yourself. Confirmation of camp availability will be emailed to you within 3-5 business days. Approval is conditional based on all registration factors. ****Note: As you fill your actual spots, please do not add registrants beyond your requested amount without approval from our registration team.**

Step 2: Complete Registration for Students & Leaders

→ Once availability for the camp you requested is confirmed, our team will send you a link through Brushfire that is SPECIFIC to your church. Use this link to register students, leaders, and YOURSELF. There will also be a passcode members can use to access your group, and a link for you to manage the group as a leader.

→ *Requirements for Leaders*

Ministry Safe – Required completion every 2 years. Each new leader will receive an email from Ministry Safe to complete their background check as we get closer to camps. They **must** complete within 14 days of receiving the email. Please ensure they check their emails (even in Spam) & complete it.

- If a leader has completed a background check with AZYM within the last 2 years, they will not receive an email. We will update their registration to show this step is complete.
- Failure to register the correct email will result in a \$10 resubmission fee per registrant.

Step 3: Mail in Deposit

→ Mail to: AZ Kids ATTN: Camp # 2601 E. Thomas Rd Suite 210 Phoenix, AZ 85016

Deposits are made by check only. Deposits are **non-refundable** and are \$100 per student and leader. To secure your spots, you must put down a deposit per person (Kids Pastor/Spouse are free). Deposits are transferable and are not taken off your final balance. If you cannot find a replacement, you will be charged a deposit lost fee. Checks can be made out to the Arizona Ministry Network. Include church name, **Kids** camp #, and how many student & leader spots in the memo/note line.

Step 4: Complete Online Consent Forms

→ This will be emailed directly to a parent/guardian or attendees over 18. This email will come from [“Arizona Ministry Network- Brushfire”](#). Please make sure this is submitted before the current deadline as registration cannot be confirmed without it. If you cannot find the email in your Inbox, check your Spam or Junk folders. The forms should arrive shortly after your Brushfire registration is complete. *****Please ensure parent/guardian, or leader’s email addresses are correct in this step to avoid errors! Check & double check!**
