

How to Use the Family Academy Catalog Website

DPS Family Academy was created to partner with parents, schools, and community to provide helpful information that supports the success of every student.

The Family Academy Catalog Website includes the following options:

Class Request Process: The Class Request Process offers detailed instructions on how to request classes. Signature Classes cost \$300 per class. The cost for classes offered by Community Partners vary (see catalog for pricing).

Family Academy Request Form: All schools and organizations must complete a Class Request Form to request classes offered through Family Academy. Please refer to the [Family Academy Class Request Process](#) for more information.

Title I Family Engagement Prior Approval Form: Title I Schools are **REQUIRED** to complete the Family Engagement Prior Approval Form and Family Academy Request Form when requesting classes. Please refer to the [Family Academy Class Request Process](#) for more information.

Signature Classes: Family Academy offers a series of Signature Classes expressly designed with DPS families in mind. Classes offer an interactive atmosphere where parents/caregivers meet to share experiences and build their capacity to support their children's learning. Classes are offered In-Person or Virtually. A Spanish interpreter is provided. Classes can also be offered in Spanish only.

Community Partner Classes: Family Academy collaborates with Community Partners to offer additional class options to school communities. Classes range from academics, parent leadership and advocacy, social/emotional learning to college preparation.

College Preparation Series: Join college preparation experts to learn helpful information on how to prepare students for college. Classes are generally offered virtually and are provided throughout the school year.
