

Doc for the collab, the alices.

Also uh the outfit being different uh means like they have a more fantasy outfit

The first alice

Name: XR

Appearance: a cyborg with purple eyes and black hair with red in the front. Zhe has a black and red singular horn on the right side of zer head and tan, metal skin. Zhe wears a white, puffy dress with scrunkly medium sleeves over long ones with black bows on the sides of them, adorned with a black bow tied under zer dress collar. Zhe also has a red, button up top half cut on the bottom of the dress. Zhe wears white socks with red bows on the front and black Mary Jane's with heart buckles. She also has a red spade on her right hand.

Cause of tf: After marking zer red path for zerself, they strayed too far. Lost within the woods of wonderland. Zer body was encased by black rose thorns, causing zer to trip zer sword. Zhe gets poked by the rose thorns, causing zer transformation.

Age: 22

Role: The brave one, protecting those who were in danger

Personality: Chaotic good, silly and outgoing, bright minded, brave. Mostly able to get along with anyone. (Unless they are snarky and rude.)

Pmc or mc: PMC (Keeps original memories, forgets original name.)

[description: the child of the spade who would destroy anything in zer path, making a red trail for zerself, before zer inevitable demise]

The second alice

Name: Mr. Nighthusk

Appearance: A black man with the head of a crow, who has a Diamond on its left hand. It wears a black long sleeve collar shirt with blue overalls and blue jeans pants. It also has Black crow wings.

Cause of tf: During one of its private performances, ??? shot Nighthusk in the chest with a tf laced bullet, causing it to be transformed right there on stage.

Age: ???

Role: The Mysterious One, who liked to keep to itself. It was rare for Nighthusk to be seen in public, only performing

Personality: Calm and collected, friendly and polite, serious.

Pmc or mc: MC

[description: the child of the diamond who sung in the forest, filling it with all sounds, it was always with a group near its singing]

The third alice

Name: Odessa Gale

Appearance: She appears to have Blue-Blonde Hair, Droopy Dark Green eyes, Silver sleeveless shirt, black tight arm warmers, blue puffy detachable sleeves, black tapered pants decorated with quartz, deep brown belt, also decorated with quartz, Black Saxophone Neck Strap with Cushioned Padding, And Black boots

Cause of tf: Kona trapped her in hallucination pile full of eyes for no absolute reason, She realized there was something on her arm, she expected that was a spider bites Unless The TF started.

Age: 19-21

Role: She may not create her own country, But She was struggling to prevent someone's TF, She probably gonna join passion for some reason

Personality: Not only she's Mature, and she's pretty kind to other ppl but she's also diagnosed with mutism, She does not care if someone is picking on her or teasing her

Pmc or mc: Neither if possible (If not, Then PMC)

[description: the child of the clover, who was lucky with their figure through wonderland, with this luck she caused many to delude, creating a country that she ruled over before her demise]

The fourth alice's

The first of the two

Name: Cricket

Appearance: An anthro raccoon with yellow eyes, wearing a white button up dress with a brown apron over it, adorn with a tied yellow bowtie under her dress collar, with knee high socks with yellow lines. She also has a yellow half heart on the side of her left paw with yellow claws and a white headband bow.

Cause of tf: She, along with her friend Passion, stumbled upon a door where Kona rested. The two of them were foolish enough to go inside, where??? stood at the end of the dark room. Upon finding them inside her room. ??? TFs them using a pair of black tentacles that bite the two of them.

Age: 18

Role: The energetic and adventurous one responsible for their TFs, being so gullible to open the forbidden door.

Pmc or mc: MC

The second one of the two

Name: Passion

Appearance: An anthro Khao Manee breed cat with blue and green colored eyes. They wear a white collar shirt with a yellow tie under brown overall shorts. They wear yellow knee high socks with white lines on them.

Cause of tf: They, along with their friend Cricket, stumbled upon a door where ??? rested. The two of them were foolish enough to go inside, where ??? stood at the end of the dark room. Upon finding them inside her room. ??? TFs them using a pair of black tentacles that bite the two of them.

Age: 18

Role: The quiet, shy, and cautious one, who warned their friend about the dangers of this mysterious door.

Pmc or mc: MC

[description: the twins of the heart, bringing their curiosity to wonderland, always exploring the land and discovering unforeseen stuff, later leading to their demise]

The fifth alice

Name: Lyla Anderson

Appearance: A black woman with black curly hair and brown eyes. She wears a collar shirt with a deep purple vest overtop of it. Topped with a black skirt and white ankle socks with purple bows on the back and black heels with heart buckles. She also has a purple "A" on her right hand.

Cause of tf: Caught up in her writing, she uses an quill, and accidentally drops tf ink on her finger. Cue tf

Age: 27

Role: The kindly one, who lives in the Clove child's kingdom. Odessa is jealous of her fame and which is why she put tf serum in Lyla's ink after she broke into her cottage.

Personality: Kind and polite, neat and tidy, optimistic, doesn't upset easily

Pmc or mc: PMC (Gains new memories, new personality.)

[description: the child of the ace, a determined writer, bringing their fame to wonderland, they were the one, kind and dearest they were, this wouldn't save them from their impending demise]

The sixth alice

Name: Fabian

Appearance: A 3'2" tall ball of dark aqua-green slime who resembles that of a character from bfdi, with aqua-green limbs, eyes and a mouth full of sharp teeth. They wear a necklace with a gem that allows them to travel to different universes.

Cause of tf: after pulling a seemingly harmless prank on the wrong being, they curse Fabian's necklace as a way to get back at them.

Age: 23

Role: When they first arrive, they explore the place, learning about what everything is and does what. After sometime, they use the knowledge that they've gathered to pull countless, seemingly harmless pranks.

Personality: Fabian is a mischievous, chaotic, and intelligent slimemorph, who regularly uses their ability to shapeshift as a way to pull pranks on others (they can't shapeshift into gods, demigods, inanimate objects, robots, corpses, or ghosts)

Pmc or mc: Pmc

[description: the child of the jester, an artist with a passion, labeled "the twin to the first alice" she was ruthless leading her to her demise]

The seventh alice

Name: Waddlie

Appearance: Male person with a mix of Blue and Silver Hair covering his face, wears a dark blue hood and has a White shirt, black pants, uh.. A belt and a Scarf on his neck.

Cause of tf: When Waddlie got lost again, someone(Who he hurted by accident) tries to kill the fuck him out, but only causing the Tf to trigger.

Age: 21

Role: (Pre-Tf) Arriving on the place, he mostly explores every place, before.. Getting lost and later being found with a different *Personality* before Tf'ed. (Post-Tf) Now lost after being Tf'ed, clearly finding others.
Personality: He's a brave and chill person most of the time that has a slight obsession with flowers, *but sometimes mean and cruel*(*First time getting lost and later found*), but he rarely gets silly.

Pmc or mc: PMC

[description: the child of the king, explorer of the seven seas of wonderland, finding many new unknown sea creatures, due to this they were very liked in wonderland]

The eighth alice

Name: Tinny the tin animatronc.

Appearance: there a human like animatronc but with tin matel skin, lines on there face, they have silver hair that is put up in a ponytail, they where a who button up shirt, black overalls and shoes, a red bowtie and a black fadora.

Cause of tf:they where in a fight with the others and while they where leaving ??? attack them and put a mask on there face which cause the TF.

Age: they have no age because they are an animatronc.

Role: there role is to help the other's and can put up a fight against people who are trying to hurt there friends.

Personality: there are a playful, funny and cool animatronic but they can get angered and annoyed easily also they hate being called a ton can it's because of how they look.

Pmc or mc pmc.

[description: the child of the queen, an actor, with their expression they were said to be the circus director, before their demise, their last act was set, before destroying them]

The ninth... alice?

Name: kona

Appearance: a ash haired woman in a red cloak with the clothes of the disguise of a lost child,

Cause of tf: after destroying all the alice's for her own gain, ??? sucked her in from her greed, her world she has let people shaped has now been destroyed, all shall continue wandering wonderland

Age: 25

Role: disappearance, her life is a mystery, labeled the little dream after she wasn't an alice she was never one

Personality: very kind on the exterior, on the inside shes narcissistic, rude, and egotistical, she only made the land for her gain to not be forgotten, she was labeled the little dream

[description:... unknown nothing had been known about her]
