Last Updated: 11th May, 2025

Thank you for using YouTube AI Summary (TLDR). This Privacy Policy explains how we collect, use, and handle your information when you use our Extension.

Information We Collect:

The only personal information we collect is your **email address** obtained through Google Sign-In.

How We Collect Your Information:

We collect your email address when you choose to sign in to our Extension using your Google account. This is done through the Google Identity Services authentication process. We do not access or store your Google account password or any other information from your Google profile beyond your email address.

How We Use Your Information:

We use your email address solely for the purpose of:

- **Linking your use of the Extension to your subscription** for getting usage limit of your account.

Data Storage:

We **do not store** any personal data beyond the email address obtained through Google Sign-In, and even this is only retained for as long as necessary to maintain the link to your subscription. Once your subscription is terminated or the link is removed by you, we will [explain how the email is handled upon unlinking/termination, e.g., "no longer associate your email with your use of the Extension"].

Data Sharing:

We **do not share** your email address or any other personal data with any third parties, except when required by law.

Security:

We take reasonable measures to protect the limited information we handle (your email address) from unauthorized access, use, or disclosure. These measures include [mention any specific security practices you employ, e.g., secure storage, encryption in transit if applicable].

Your Rights:

Since we only collect and use your email address for the specific purpose of linking your subscription and do not store other personal data, your rights regarding your data are

primarily managed through your Google account. You can revoke our Extension's access to your Google account at any time through your Google account settings.

Changes to This Privacy Policy:

We may update this Privacy Policy from time to time. We will notify you of any significant changes by [explain how you will notify users of changes, e.g., posting a notice within the Extension or on our website]. Your continued use of the Extension after such changes constitutes your acceptance of the new Privacy Policy.
