- **Upgrading Marks in Summer School**

- **Board-delivered Expanded Summer Learning (\$10.12M)**

The ministry will continue to make summer learning opportunities available including credit, upgrading and non-credit courses funded through the Grants for Student Needs (GSN). In addition, \$10.12 million in PPF is being made available to school boards for expanded summer learning supports for students with special education needs and for First Nation students.

Funding will continue to be available for summer learning programming focused on literacy and numeracy that are administered by third parties such as the Council of Ontario Directors of Education and Frontier College.
