

## Privacy Policy for WebEdit AI

**Last Updated:** 26 January 2025

Thank you for using **WebEdit AI** (the "Extension"). Your privacy is important to us. This Privacy Policy explains how we handle your information when you use our Extension. By using WebEdit AI, you agree to the terms outlined in this policy.

---

### 1. Information We Collect

WebEdit AI **does not collect, store, or share any personal data**. The Extension operates entirely locally on your device, and no information is transmitted to external servers or third parties.

---

### 2. How We Use Your Information

Since no data is collected, there is no usage of personal information. All annotations, highlights, and preferences are stored **locally** on your device and are not accessible to us or any third parties.

---

### 3. Data Storage

All data created using WebEdit AI, such as annotations, highlights, and preferences, is stored **locally** on your device. We do not store any data on external servers or cloud services.

---

### 4. Data Sharing

We **do not share any data** with third parties. Since no data is collected or stored externally, there is no sharing of information.

---

### 5. AI and Third-Party Services

The AI assistant in WebEdit AI processes text or content **locally** on your device. No data is sent to external servers or third-party services for processing.

---

### 6. Security

Since no data is collected or transmitted, there is no risk of unauthorized access, alteration, or destruction of your information. All data remains on your device and is subject to your device's security measures.

---

### 7. Your Rights

As no data is collected or stored externally, there is no need to request access, deletion, or correction of data. Your information remains entirely under your control.

---

#### **8. Changes to This Privacy Policy**

We may update this Privacy Policy from time to time. If we make significant changes, we will notify you through the Extension.

---
