ABSTRACT [Arial 10pt Bold]

It is recommended that the abstract contains one to three sentences of introduction followed by one to three sentences of research objectives. Please explain the research methodology in three to five sentences. If it is a research report of an accomplished study, please write the findings. If the research is still ongoing (a skripsi), leave the findings part blank or provide explanation that the findings are to be completed in the full paper submission. Please make sure that the abstract must be between 100-200 words. [Abstract text: Arial 9pt Italic].
