Venice - city of lovers of wedding cruises and single people. Steeped in nostalgia and longing.

Dream or reality? Past or present? When you stand on one of the bridges at the evening, the sun is reflected in the water, gondolas silently glide along the canals ... You feel transported to another world. Lost in the narrow streets and air is steeped in a sense of transience.

Venice - the city of fairy tales, the most - unreal world. Venice is one of the best - and most charming - the amazing creations of the human hand.
