

# 2024 Meat Goat Interview Finalists and Champions

Animal Science Interviews at the State Fair are designed to further enhance educational opportunities for young people exhibiting livestock. The interview process offers a visual philosophy of recognizing 4-Hers who have utilized their livestock project to grow and develop as young people. Livestock Interviews emphasize many life skills such as communication, responsibility, decision making, and problem-solving. The interview process is seen as a step to help insure the stability of youth livestock shows as a *positive* form of youth development.

**Interview Finalists** will receive coupons redeemable at the Gopher Dairy Bar and Northwest Designs.  
**Interview Champions** will receive a chair sponsored by the Minnesota Livestock Breeders Association.
