

Any 11th grade student who is wanting to take the PSAT on January 26, 2021 will need to complete [this google form](#) by 11/26. The test cost is \$17. Specific information regarding testing & test day is forthcoming.

The PSAT/NMQST will be offered at PRP on Tuesday January 26, 2021. The test is open to 11th graders who wish to take it. 10th grade students can also take it if they speak to Mrs. Capo. The test will cost \$17 & will be due before January 19th. There will be a link for online payment once you have registered with me.

Right now, we do not know what January will look like but we will plan for what do know. At the current time, the Kentucky Department of Education & JCPS have certain guidelines and protocols that must be followed in order for the test to take place. We are in the process of developing a plan to submit to JCPS for testing.

Please fill out the following form completely. If you have any questions, feel free to email kellie.capo@jefferson.kyschools.us
