Compliance policy

This policy establishes the expectation and commitment for every DATSS staff member, volunteer and contractor to comply with all Federal, State and Local Government legislation and regulation.

It is a critical component of DATSS Risk Management Framework. Context DATSS has no appetite for breaches of regulatory obligations and is committed to compliant practices and ethical standards in the way we conduct our business.

This includes ensuring that all contracts made or entered into by DATSS comply, and are enacted with, relevant contract law. DATSS complies with all relevant regulatory obligations, including (but not limited to) the following:

- WH&S Act 2011
- Privacy Act 1988
- Fair Work Act 2009
- National Employment Standards
- Local Government Regulations
- Quality and safe guard Commission
- NDIS Act 2013

DATSS administers our compliance obligations and supports staff to apply these through training, policies, procedures, work instructions, compliance policy's, incident management, audit and assurance and reporting.
