

Blog post due Friday, 10/7

For this unit of vocabulary, we're going to compose a story which **retells** the tale of *Beowulf* and uses all ten of the main vocabulary words. I have listed the ten words below:

- Spartan
- Gadfly
- homage
- spurn
- pedigree
- pittance
- preposterous
- macabre
- farce
- bombast

In the end, there will still be a **vocabulary test on Tuesday** which will include writing sentences, but I think it's really good practice!
