Video Production Manager For Sheriff Russ Gibson's Re-Election Campaign

<https://studionine13.com/> Studio Nine 13 was the video production manager for Sheriff Russ Gibson's re-election campaign. We produced 10 campaign videos over 2 full days of filming. Our video production services include tremendous value for our clients as we get everything we need over a full day or two of shooting. Our processes and preparation are very efficient. A full day or two of shooting for our clients provides them with months of content to be used on social media, video platforms, and optimized to help gain visibility on the internet. This video highlights Sheriff Russ Gibson's campaign promises he made and kept when he originally ran for Sheriff. He stated in his original campaign that he would recruit and retain the best Deputies and civilian personnel servicing Osceola County. Sheriff Gibson's new Deputy Sheriff's starting pay was not up to par compared to other Central Florida law enforcement agencies and he set out to create the best compensation program for his Deputies. The goal was not only to attract the best talent for the job but to retain them. Sheriff Russ Gibson was able to have this proposal pass with flying colors for the pay raises. He is on target to fill all patrol vacancies and other units as needed before the end of this year in 2020. Sheriff Gibson's goal is to continue to make Osceola County a safe place to live, work, and raise our families. We hope you enjoyed Sheriff's Russ Gibson's re-election campaign footage where Studio Nine 13 served as his video production manager.
