We plan to make sure that Comcast and other internet service providers (ISPs) are fulfilling their promises to expand internet access during the coronavirus crisis. Please fill out this survey, bit.ly/CovidInternet, if you've been struggling to get or stay online. Together, we will make sure that ISPs are accountable to our communities during this time when connection is life or death.

If you know someone who has a story, but is unable to get online to access this survey, please direct them to call Media Mobilizing Project at 215-821-9632 ex. 706.
