It is a big box - another picture to fill the middle of it would help.	APPLICATION I am able to make an aesthetically pleasing Cereal Box. (Visual Art) I can create an engaging tag line for my cereal. (Media Lit) I have taken the time to spell words correctly and use proper grammar and punctuation. (Writing)	✓	Good job on the cutting. Taping is okay Tagline is fun!
Too much of this was cut and pasted from the internet. I wanted you to find out things on your own and write them in your own words - a teacher will never want you to "cut and paste" other people's words and present them.	COMMUNICATION I am able to present the information I find in my own words. (Writing) I am able to identify the important personal traits of my subject and communicate them clearly on a modified Food Label (Reading)	Some	
	THINKING I am able to organize the information to present it in a meaningful way to my audience. (Writing) I am able to remove any unnecessary information. (Reading)	Some	I really liked the fact that you wanted to do this again. You really care about doing well and that is wonderful. Don't worry about this one - use it as a chance to learn from your mistake and then you won't make the mistake again.

He did need to be reminded to find out more about Ronaldinho's playing career. Remember, with a biography, you have to cover all the important events in a person's life.	KNOWLEDGE I am able to find key information about my subject from online resources. The information I find makes sense and is important. (Reading and Writing)	✓	Adam independently did his research and found out information.
Keep working on the smaller details to make everything you submit excellent rather than Okay. Try to fill the front and make it look like a cereal box - see the many examples in class.	APPLICATION I am able to make an aesthetically pleasing Cereal Box. (Visual Art) I can create an engaging tag line for my cereal. (Media Lit) I have taken the time to spell words correctly and use proper grammar and punctuation. (Writing)	✓	Again, Adam worked independently - this is great Soccerly delicious is a great tagline
He still struggles with editing and needed the teacher's help to clear up mistakes that he should be able to fix on his own. He is reminded to get a good peer editor to read his work to him aloud - I am sure he will hear his mistakes - as he did when I went over them	COMMUNICATION I am able to present the information I find in my own words. (Writing) I am able to identify the important personal traits of my subject and communicate them clearly on a modified Food Label (Reading)	✓	Adam did not cut and paste too much information
	THINKING I am able to organize the information to present it in a meaningful way to my audience. (Writing) I am able to remove any unnecessary information. (Reading)	✓	Some help from the teacher, but most of this on his own.

Maybe a little more information on the many other movies he has done would help.	KNOWLEDGE I am able to find key information about my subject from online resources. The information I find makes sense and is important. (Reading and Writing)	✓	Good information
The tape is a bit distracting - maybe gluing would look better.	APPLICATION I am able to make an aesthetically pleasing Cereal Box. (Visual Art) I can create an engaging tag line for my cereal. (Media Lit) I have taken the time to spell words correctly and use proper grammar and punctuation. (Writing)	✓	The Tagline is great Pics and labels on the front are nicely spread out to look like a cereal box front.
The food label is okay - but it was supposed to add up to 100% (I'll give you some artistic license). Maybe you could have added the extra details to justify each personal trait - like the example.	COMMUNICATION I am able to present the information I find in my own words. (Writing) I am able to identify the important personal traits of my subject and communicate them clearly on a modified Food Label (Reading)	✓	Yes - this is clearly in your own writing. Thanks

I am impressed by the Food Label, but much of the other work is just a cut and paste that does not include the important details. Peter is capable of better work than this. He had a lot of periods with the Chromebooks and I feel he gets off task and does his own thing when not directly supervised. I know he will be disappointed by these comments - but I would rather find out that he expected them (because he should know that this is not his best work.)
