

Databases

What is a database?

-Think of it as an online library with information.

Ms. Scotto's [How-to Video](#)

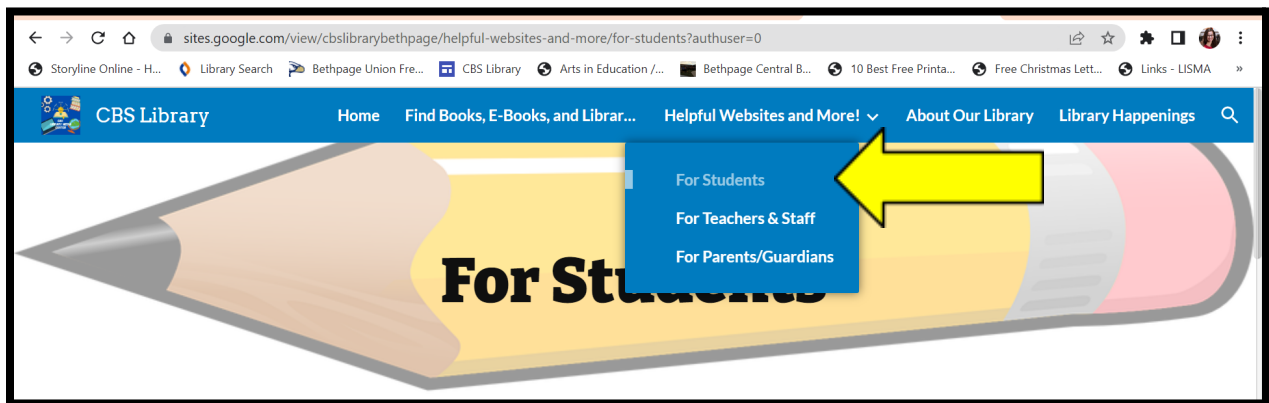

How do we get to databases for school?

1. Click this [link](#)!

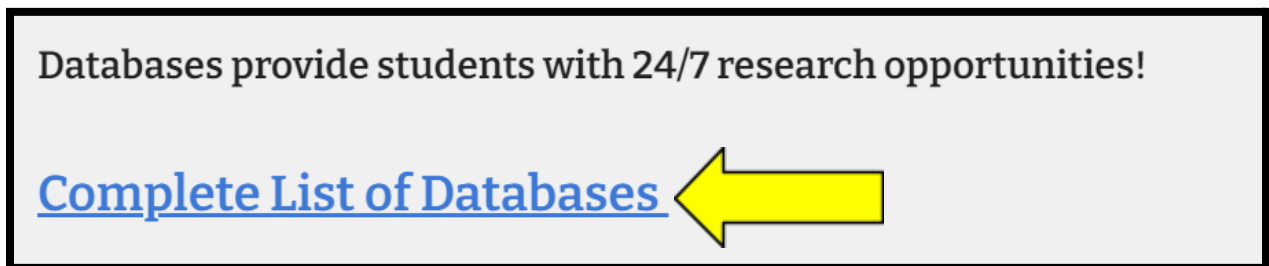

It is connected to the CBS Library website.

There is a tab "Helpful Websites and More."

Then there is a dropdown arrow that shows "For Students"

2. Click on "Complete List of Databases"

3. ALL OUR DATABASES HAVE SAME LOG-IN

Username: XANH

Password: nbsls
