

# We just don't have the room!

What we do take needs to fit in our limited area

& be of interest to our shoppers so it doesn't stay there long!

Here's some suggestions for other possible places for those items we don't take. Check their websites for more specifics.

**Stardust** <https://stardustbuilding.org/> Accepts donations of new, excess, or gently-used building materials, appliances, furniture, and more. Your donation helps support programs and services dedicated to reducing waste. Stardust is a 501(c)(3) charitable organization. As such, all materials we receive as a donation are eligible for a tax deduction. We cannot accept materials containing hazardous substances, including: paint of all kinds, asbestos-containing materials, PCBs, toxic or flammable products, batteries, contaminated plumbing, containers that may have held chemicals of any kind or pest infestations.

**The White Dove Thrift Shoppe** <https://whitedovethrift.org/> Named after Hospice of the Valley's dove logo. Many items sold at The White Dove are donated by family members of patients we have served. The stores offer unique finds for the avid thrifter and treasure hunter. Items also go to patients in need. Anything that cannot be used or sold is donated to other charities.

**Habitat for Humanity ReStore** <https://www.habitat.org/restores> Habitat ReStores are home improvement stores that accept small and large donations of new or gently used furniture, appliances, housewares, building materials and more. Proceeds from the sales of these items help Habitat's work in your community and around the world.

**Treasures 4 Teachers** <https://treasures4teachers.org/donate-goods/> Treasures 4 Teachers is a member based resource and supply store serving the educators of Arizona. T4T is a donation-based operation. Therefore, we are able to provide low cost and free school supplies to our members in Arizona's Phoenix-Metro area.

**VNSA** <https://vnsabooksale.org/> Volunteer Nonprofit Service Association accepts donations of books, CDs, DVDs, records, games and puzzles in the Phoenix metro area. You can donate via warehouse drop off, drop box, or home pick-up request. All 13 VNSA drop boxes are painted beige with navy lettering on a yellow VNSA sign, and are located as close to a curb as possible. Volunteers empty boxes every week.
