

Good evening Lake Forest High School. Please continue with this message for our weekly announcement.

First, Wednesday, November 17 is underclassmen picture make-up day. Although students are not required to purchase school pictures, all are required to have one taken. See the attachment for more information.

Second, LFHS will host a FASFA night later in December for senior students and their parents to assist with this process. The event will be by registration only and seats will be limited. The registration information will be sent directly to senior families later this week. Also for seniors, if you missed your cap & gown ordering day, you may still visit jostens.com to order. The attached flyer has more information.

Finally, another reminder that next Monday, November 22, is parent conference day from 12-7:30PM. School is closed to students this day, and the remainder of the week for the Thanksgiving holiday. Please contact your child's teachers directly if you desire a conference.

Thank you and have a good night.
