General Information and Expectations:

Please be prepared for class each day. Bring pencils with erasers, a colored pen for corrections and a three-ringed binder to class each day. Your binder will be used for classwork. A notebook will be used for most homework assignments when working on problems from the textbook. It will provide you with an organized study guide when preparing for assessments.

Homework will be assigned daily. Time is allotted at the end of each class to ask questions regarding the work covered that day. During the following lesson, the previous night's homework assignment will be reviewed and discussed. Homework should be completed and CHECKED before class the next day. A grade of 2 out of 2 or 100% is given on completed homework (not accuracy). If the assignment is one day late or incomplete, a grade of 1 out of 2 or 50% is given.

If students are absent, students are given the opportunity to complete work and activities. Students are expected to complete work within the number of days absent (for example, if a student is absent for 2 days they are given two days to complete work).

In preparation for quizzes and tests, you should review all class notes, class-work and homework completed during the unit, as well as any review work assigned. If you score below 70% on a test, you may take a retest on the same material in order to bring your score up to 70%. Be sure to see me in order to prepare for the retest.

Supplies:

- large supply of pencils and colored pencils/pens for all classes
- three ring binder at least 1.5" width
- lined (or graph) paper for binder
- 1 spiral or composition notebook

Grading:

Report card grades will be based on tests, quizzes, graded class-work and homework, and assignments.

Major Assessments	50%	Minor Assessments	40%
Classwork/Homework	10%
