- **Renewal:** [...] non-Spanish-speaking students **must submit proof of completion of Spanish courses or accreditation of their level.** This must be submitted at the time of renewal application (in the call for applications published annually).
- **FREE TRAINING:**
 - Talented students are entitled to take two general Spanish courses per year free of charge, one per semester, at the appropriate level (A1-C2).
- **MANDATORY REQUIREMENT FOR RENEWAL OF THE TALENT SCHOLARSHIP:**
 - In order to renew their scholarship, Talento students who cannot officially prove that they have a B2 level of Spanish are required to certify that they have completed at least one general Spanish course (at the appropriate level) **at CEALM.**
 - In order to renew the scholarship, students must present official proof of a B2 level of Spanish or a **certificate of completion** of a general Spanish course (at least one course per year) taken at CEALM during the academic year prior to the scholarship renewal.
 - The level accreditation or certificate of achievement must be submitted along with the rest of the documentation required to renew the scholarship during the renewal application period.

* In accordance with the above, students who have an **official B2** Spanish language certificate will not be required to take Spanish courses.
