- Designer Series Paper 1: 4" x 5-1/4", 3-1/4" x 4-1/2"
- Designer Series Paper 2: 3-1/4" x 4-1/2"

Instructions:

1. Using Multipurpose Liquid Glue, adhere the 2" portion of the hinge onto front of card base. Add DSP 1 and Basic White panel on top. Fold hinge so it folds onto front of card. Might help to see 2nd photo.
2. Adhere DSP 2 to Petunia Pop card front panel. Add glue to hinge that will go onto the back of the front panel taking care to end glue a little more than 1/2" from fold and also not too much so it oozes onto card base. Carefully put panel onto hinge, align quickly, and press down to secure.
3. Open card, lay flat then glue smaller DSP 1 onto back of front panel. Die cut pocket from Petunia Pop, stamp arrow facing slot where gift card will be removed, affix Tear & Tape and attach to card. Press down to secure pocket.
4. Stamp cupcake with Tuxedo Black Memento ink onto Basic White. With Petunia Pop and Crumb Cake Stampin' Blends color in cupcake. Fussy cut with Paper Snips. Touch up any white edges with corresponding Blends.
5. Stamp sentiment on Basic White so it's to the far right, stamp again to the far left and add one in the center so it doesn't touch the one on the right. It will overlap the one on the left but that will be hidden by cupcake. Glue strip onto card front.
6. With Stampin' Dimensionals, add cupcake a little left of center.
7. Color 1 large and 2 small rhinestones with Dark Petunia Pop Blends and add to card front.
