Contact me whenever, but reply time may be long, depending on the title.
The title "commission" will get my attention no matter where I am.

Depending on the complexity or other issues outside of my control, completion may take anywhere from a week to a month. Updates are given upon progress or

If there are multiple commissions before you, it could be longer.

I will still stay in touch with you.

Guidelines

- **DO NOT REMOVE MY SIGNATURE:** My name stays on the picture as intended.
- Keep it casual and on topic: no flirting or haggling.
- Pay through **PayPal**.
- I WILL NOT start the commission unless the payment has gone through.
- Commissions are **nonrefundable** once it's past the sketch phase of development.
- References are required for clothes, OCs, backgrounds, and poses. Be 100% ready to have everything planned out.
- **Don'ts:** Futanari, yaoi, watersport, scat, feet, diaper, gore, vore, rape, shotacon, lolicon, bestiality, incest, inflation or hyper.
- **Dos:** Monsters, humans, robots, plants, undead, cartoon/anime characters, and anthros.
- All characters commissioned for NSFW must be 18+.

I have the right to cancel or deny any commission at any time if necessary due to the difficulty of the piece or something outside of my control. You will be notified and refunded if it ever gets to that point.

Adoptable Policy

- **Do not sell for more than what was bought.**
- **Discounts with my adopts and characters are one-time per commission only. [Meaning that you can't have a double discount on two adopts and/or with my characters only for a better deal]**
- **Do not alter the character's age to be younger for R18+ content or be attracted to other minors.**
- **Do not use them as an avatar for hate speech, or depict them in violent sexual acts such as rape.**

Any acts that go against this policy mean I will no longer do business with

you.
