  - You are assigned a certain amount each month. (Couples may combine their accounts.)
  - This is used primarily for your expenses in the dining room.

- Months
  - These are **not** calendar months.

| If your primary name starts with: | Your cycle start on:                     |
|-----------------------------------|--|
| A – D                             | The 1 <sup>st</sup> Friday of each month |
| E – K                             | The 2 <sup>nd</sup> Friday of each month |
| L – R                             | The 3 <sup>rd</sup> Friday of each month |
| S – Z                             | The 4 <sup>th</sup> Friday of each month |
